

Pulmonary Function Test Information

Instructions to the patient

No tobacco, inhalers, nebulizer treatments for 4 hours prior to testing.

You may take any other medications, including Prednisone. You may eat and drink prior to testing.

Due to the nature of our practice and out of respect to patients and staff, we ask that you not wear any perfume and/or colognes. During testing, cell phone use/reading materials are not permitted.

PLEASE NOTE: Give yourself enough time to arrive one time for your scheduled appointment. Due to the length of time needed for testing, if you are more than 15 minutes late, you may need to be rescheduled. Please call 248-556-5582 to reschedule.

Should you need to cancel your pulmonary function test, please do so 48 hours prior to schedule date to avoid being charged \$50.00

Thank you for your cooperation and we look forward to seeing you soon.
