INSURANCE WAIVER/AGREEMENT

PLEASE BE ADVISED:

It is your responsibility as a patient to alert the office staff prior to your scheduled appointment of **ANY** insurance changes; contract ID's, new insurance company, etc.

Please note: It is also your responsibility as patient to check with your insurance company to determine whether a referral/authorization for your office visit or testing being performed in our clinic is indeed required to assure coverage for yourself by your insurance company. This is not the office staff's responsibility to determine for you.

Should a referral/authorization is required and is not obtained or any other charges is not covered by insurance, the charges incurred will be patient's responsibility.

We must emphasize that our relationship is with you and not your insurance carrier. Your insurance is a contract between you, your employer and your insurance carrier. We are not party to that contract. All charges are your responsibility from the date(s) of services rendered.

I have read and understand this policy and agree by signing below:

Consent to the use and disclosure of health information for treatment, payment, or other healthcare operations.

Your health information privacy rights include:

- You can ask to get a copy of your medical record. You may request in writing and pay for the cost of copying and mailing
- You can ask to change/add information, if you think something is missing or incomplete
- You have the right to request that our practice communicate with you about your health information in a particular manner or location

I understand that as part of my healthcare, this organization originates and maintains health records describing my health history, symptoms, examinations, test results, diagnoses, treatment and any plans of my future health care or treatment. I understand that this information serves as:

- A basis for planning my care and treatment
- A means of communication among all health professionals who contribute to my care
- A source of information for applying my diagnosis and surgical information to my bill
- A means by which a third-party payer can verify that services billed were actually provided
- And a tool for routine healthcare operations such as assessing quality and reviewing the competence of healthcare professionals

I understand that the practice will use and disclose my information when required to do so by Federal, State or Local Law. I understand the practice may release my information for workers compensation and similar programs. I understand that the practice reserves the right to change their notices and practices and prior to implementation will mail a copy of any revised notice to the address provided. I understand that I have the right to object the use of my health information for directory purposes. I have the right to request restrictions for how my information may be used or disclosed. I understand that I may revoke this consent in writing, except to the extent that the practice has already take action in reliance thereon.
